

**A NEW SONG ON THE  
LAST DUBLIN ELECTION**  
**COMPOSED BY JOSEPH SADDLER**

Waterloo was bought for gold says the green  
pown lass  
May the Dublin too was sold say's the green go  
But they'll wither and decay  
Their share will melt away  
Before the month of May says the green gown  
They were well aware of what the duke says  
When with th' 30 votes the run says  
I have them in my book  
Their a prop for Harry Troop  
Oh shun the fifth group, say's  
On Patrick's day its true says the green gown lass  
Thy will wear the Shamrock too say's a c  
To it they are knave  
Their country they deceived  
Their not worthy often Irish grave says the & c  
When in their power it came says the green & c  
To loosen Erins chains says the green gown lass  
If the cat n' on their pine  
And not put tories in  
May's gold would cramp their shine say's & c  
But long in chains they sit says the gr'n gown lass  
The mock and hypocrites say the gr'n gown lass  
Insaid of crushing tyranny,  
They've ecou ag-d heresy,  
To stop sweet liberty say's the gr'n gown lass  
The Dublin last the day says green gown lass  
Inspect their fault I say says the green gown lass  
It was by "turncoats"  
That the tories got their votes  
Could you read a 10 pound note say's the  
But spite of a' their quivering say's the green  
We've a 100 of good liberals says the green  
(Then what can to y do  
Nothing its true  
Their old shirt the may chaw says the green  
From such a rabble I'd have you part say's  
If truth raiges in your hear say the green gown  
With them oh shall we deal  
Never I'll go bail  
For the'd murder Granuwall says the green  
Yet their is a counting day says the gr'n gown lass  
Aye and One will show fair play says the green  
No hiding den or place  
To screen their face  
They must stand it in disgrace says the green  
The rotten Freemen done the dirt says the gr'n  
To hold their hungry guts say's the green gown  
They went with all their speed  
Against their country and their creed  
They'd sell Almighty for a feed says the green  
Heres to honor and honesty says the green  
Hurra for Liberty  
We've a 100 liberals oh then  
There's every one of them  
They'll tip the rotten Freemen says the green
